

### Row TreeStyle Property

RowTreeStyle specifies the visible attributes of the tree displayed in the Row titles of a Grid.

The value of the RowTreeStyle property is a character vector chosen from the following :

<i>LinesOnly</i>	Only the lines of the tree structure are drawn.
<i>ImagesOnly</i>	Only the images of nodes with children are drawn.
<i>ImagesAndLines</i>	Both lines and images for nodes with children are drawn.
<i>AllImagesOnly</i>	Images for all nodes are drawn.
<i>AllImagesAndLines</i>	Both lines and images for all nodes are drawn.

The default value, *ImagesAndLines*, is illustrated in the first picture below. Other values are displayed in subsequent pictures.
