Community

- ◆ The APL community is important for members
 - ◆ To exchange ideas
 - ◆ Inspire each other
 - ◆ Help out with algorithms
 - ◆ Help with new technological inventions
 - ◆ Make friends
 - and most importantly
 - ◆ Receive Newcomers

Community

- ◆ We currently spend a lot of effort building community on-line
- ◆ Adám Brudzewsky, Richard Park and Rodrigo Girão Serrao use most of their time on on-line presence and new material

Community

- What kept the community alive for so long
- The Beauty and Power of APL

The Beauty and Power of APL

- ◆ The ease with which you can instruct a computer
- ◆ The direct access to data
- ◆ Interactive coding
- ◆ Refactoring

The Beauty and Power of APL

- ◆ In essence:

APL makes it possible for the user to instruct a computer to the best of their ability

The Beauty and Power of APL

- ◆ So we will continue to keep APL up-to-date and work hard to make APL visible to all those who could benefit from using it....
- ◆ Welcome to Dyalog'21
